

CLUBS & TEAMS

ACTIVITY SUMMARY

- You want to celebrate the end of your sports season, take your sports team or club out of its usual routine, and experience something different? Til-Tops has just the right setting for you.
- With our tree-climbing tracks in different heights and difficulty levels, fun is guaranteed no matter the fitness level or sportiness of each team member.
- Plan for 3-4 hours of tree-climbing, and consider combining your adventure with a picnic or another activity such as Disc Golf or Football Golf.
- You can bring your own snacks or picnic, or buy refreshments and snacks in our kiosk for your break. Please remember that you must not consume any alcohol before or during your climbing time at Til-Tops.

BEFORE YOUR VISIT TO TIL-TOPS

- Make sure you reserve your activity slot well in advance to avoid disappointment. Let us know how many guests will be climbing, how old they are, and whether they have any special requirements, wishes or needs.
- For our guests' safety, anyone who climbs needs to wear sturdy, closed shoes. Participating in the activity is not possible if guests are wearing unsuitable footwear such as flip-flops, open sandals, no shoes, high-heeled shoes etc..
- Please print our "Safety Rules" sheet and make sure that all climbers know and understand its content. You can fill in one sheet for the entire group - please make sure that you note each participant on the back of the sheet, including name, first name and birth date, and let them sign their understanding and acceptance of the safety rules.

DURING YOUR VISIT TO TIL-TOPS

- As you arrive at Til-Tops, please check in at reception and announce yourself with your name and reservation number / booking confirmation.
- You will be asked for the "Safety Rules" form that is signed and mentions each climbing guest. You will save time during check-in if all participants have read and signed the sheet, but it's no problem if they do it upon arrival in the park.
- Our staff will then equip the climbers with a harness and give them the safety instruction. This will take about 20-30 minutes.
- After your safety instruction, you will climb the various tracks with your group. An instructor will be nearby and can help in case you have questions or need assistance.
- Please note that depending on the age, height and weight of the guests, they will have access to different climbing tracks. Check out the park-specific sites for details on who can access which tracks.
